Funeral Flower Specialists

Welcome to Celeste Flowers, where compassion meets craftsmanship in the delicate art of Funeral Flowers. As the trusted onsite florists at most major Sydney Cemeteries, we seamlessly integrate our floral expertise with a deep understanding of the funeral industry, creating floral tributes that honor and celebrate the lives of your loved ones.

Our dedicated team of florists work closely with Funeral Directors to ensure a seamless and empathetic experience for our customers. At Celeste Flowers, our commitment is to create timeless expressions of sympathy, ensuring a dignified tribute to your loved ones.

Helping you choose a beautiful floral tribute

This guide shows you a selection of what is available in our funeral collection and will help you choose the most appropriate and personal floral arrangement.

Flowers are the perfect way to express your feelings and at a time of loss, it can be difficult to choose the right flowers style. This guide makes it easier by providing visual examples.

Please be assured that from the moment you place your order, it will be designed and handled with care by our expert florists before being hand delivered to your desired location.

What you need to know

You are able to make changes, including colour schemes, to your selected arrangement to make it more personal- just let us know and we will assist you.

Please do not hesitate to contact us so that we can discuss different options to create the perfect tribute for your loved one. We would be delighted to create a bespoke arrangement if you prefer something outside of our collection.

Flowers are seasonal and the climate can have an impact on availability. Where a specific flower is not available or out of stock, a substitute will be used of equal or greater value in keeping with the overall design and colour plate.

All prices include GST.
